

2025 Term 3 Holidays

Intensive English Workshop

Selective & Scholarship Intensive Workshop

This course is designed to strengthen students' reading and writing skills through a four-day workshop. Students will receive guidance on how to break down texts, apply reading strategies online and improve their written expression.

Students will have the opportunity to practice writing under test conditions and re-write their daily writing tests based on the skills they have learnt in class.

Schedule (4:00pm – 7:30pm)
